Brief CV

Name	Yung-Yao Chen	中文名	陳永耀	
Gender	Male	**Title** (Pro./Dr.)	Professor	
Position （President…）	Associate Professor, Graduate Institute of Automation Technology (GIAT) & Chief, Chinese Language Training Center, National Taipei University of Technology	**Country/ Region**	Taiwan	
University/ Department	Graduate Institute of Automation Technology (GIAT), National Taipei University of Technology			
Personal Website	https://sites.google.com/site/ntuthislab002/about-me_eng			
Research Area	computer vision, vision-based automation, pattern recognition, color image processing, imaging systems, machine learning, and human-computer interaction			

Brief introduction of your research experience:

Yung-Yao Chen received his B.S. (2004) and M.S. (2006) degrees in Electrical and Control Engineering from the National Chiao Tung University, and his Ph.D. (2013) degree in Electrical Engineering from Purdue University - West Lafayette, IN, USA. He is an Associate Professor with the Graduate Institute of Automation Technology and Chief of Chinese Language Training Center (CLTC), National Taipei University of Technology (NTUT), Taipei, Taiwan since 2018. Before joining NTUT, he has worked in HP Labs - Printing and Content Delivery Lab (HPL - PCDL) as a Full-Time Research Intern for 1 year (2012 - 2013). His current research interests include computer vision, vision-based automation, pattern recognition, color image processing, imaging systems, machine learning, and human-computer interaction. Dr. Chen was a recipient of the First Prize Paper Award of the 2015 International conference on Advanced Robotics and Intelligent Systems, Best Paper Award of the 2018 International Conference on Communications, Computation, Network and Technologies, and Outstanding Reviewer Award of 2018 IEEE International Conference on Visual Communications and Image Processing. He is a member of Golden Key International Honor Society and Phi Tau Phi.
